IT’S TIME TO THINK BIGGER.

Our luxurious Allegro Bus lets you take everything, everywhere, and leave nothing behind but compromise. From front to back, it combines incredible spaciousness with premium finishes and features to make every mile a joy. An optional 32” LCD TV built into the galley slide exterior, combined with the surround sound home theater with DVD player, offers a setup that will have you in demand come tailgating season. And once your guests arrive, four slides mean they’ll have plenty of room to stretch out. The intelligent energy management system prevents circuit breakers from tripping, saving you all kinds of hassles. Outside, you can choose from six exterior colors, each of which comes standard with a front cap protective film layer to preserve the finish.
To be sure, with a 425 horsepower Cummins engine you’re packing more power than most on the highway. But thanks to the choice of a dependable Powerglide or Spartan chassis, you’ll enjoy a ride that’s smooth and manageable. FlexSteel® Ultra Leather power seats assure a comfortable driving position, while the reverse-activated camera and side-view cameras help ensure safety. Round it out with the optional GPS and satellite radio, and you have one of Tiffin’s most luxurious cockpits. Ample seven-foot ceilings enhance all five floor plans ranging from 36 to 43 feet. The full pass-thru basement offers plenty of storage space for luggage, toys and tailgating gear.
At Tiffin, our engineers employ innovative construction techniques, like the unique drainage system in the roof to channel A/C condensation. And we use high-quality components, such as laminated sidewalls and floors to provide ultimate durability and sturdiness on the road. These safety steps ensure that our owners enjoy lasting value, year after year. For a complete list of specifications and options, please visit tiffinmotorhomes.com

### CONSTRUCTION SPECIFICATIONS

#### ROOF
1. One-piece, moisture resistant molded fiberglass roof cap provides insulation and strength and prevents water intrusion
2. A/C Condensation Drainage System that runs internally through the roof insulation and down the sidewalls, redirecting water underneath the motor home
3. 5½” formed insulation
4. Quiet Air Cooling System with return air and foil-wrapped cooling exhaust ducts
5. Durable, tubular aluminum roof skeleton
6. Easy-to-clean soft touch vinyl ceiling panel

#### SIDEWALL
1. Gel-coat fiberglass outside wall panel
2. High-performance thermal insulation
3. Durable, yet lightweight, tubular aluminum wall skeleton
4. Decorative inside wall panel

   All sidewalls are approximately 2” thick.

#### FLOOR
1. Ceramic tile floor bonded to high-impact oriented strand board
2. High-level engineered oriented strand board
3. High-performance thermal insulation
4. Durable, tubular steel floor skeleton
5. Woven moisture barrier material

FRENCH VANILLA INTERIOR
GLAZED HONEY CABINETS
Interior Decor Not Included
Our Allegro Bus is rolling proof that you can never have too much space or comfort. It comes standard with two sleeper sofas in the living area, a Cloth DE Sofa Bed on the driver’s side and an Ultra Leather DE Sofa Bed on the passenger’s side. Most models offer an optional king-sized bed. The spaciousness continues in the galley, where the Expand-an-island and stovetop covers provide you with extra countertop space. There’s vast overhead cabinet storage and a large open compartment beneath the coach to complement the spacious closet. We’ve also added three beautiful new color schemes, Kona, Bellagio, and fabrics by Ralph Lauren to accompany our popular French Vanilla.

WHEREVER YOU GO, WE GO.

These days, that simple promise carries more weight than ever. In a time when some companies have struggled, a manufacturer who stands behind the product they build has never been more important. We’ve never been prouder of the strength of our company, our warranty and service plan (still the best in the motor home industry), and most importantly, the trust we’ve built with a very special group of motor home owners. We understand the richness that travel brings to your life, and our family is so proud of the relationship we have with yours. You are the reason we do what we do and why we never stop working to build a better Tiffin experience for you.

WARRANTIES THAT GO WHEREVER YOU GO.

10-YEAR LIMITED UNITIZED CONSTRUCTION WARRANTY – The structural integrity of the entire coach is guaranteed for the next 10 years. Warranty includes wall separation and inner frame weakness.

5-YEAR LIMITED LAMINATION WARRANTY – We guarantee against all exterior fiberglass delamination or wall separation.

Sincerely,

105 2nd Street NW, Red Bay, AL 35582
