UNMATCHED ELEGANCE

A premium coach with livable style, the luxurious Allegro Bus® is for those who appreciate the finer things in their home away from home. On the road, this elegant coach is the perfect traveling companion, offering a quiet controlled ride, a driver’s oriented cockpit, and a generous towing capacity. Off the beaten path, it becomes a haven of upscale residential living, complete with spacious interiors, high-end amenities, and exquisite design details. Many of these luxuries are Tiffin exclusives, including handcrafted hardwood cabinetry, dual-pane insulated windows, and the powerful, Tiffin-built PowerGlide® Chassis.
Main Living Area

Luxury is the décor of choice in the spacious living area, with the upscale comforts of high-end furniture, LED lighting fixtures, designer fabrics and finishes, and the option of heated floors. Entertainment needs are well-addressed, with a surround sound system and four onboard HDTVs, equipped to display programming from various sources.

40 IP with Linen cabinets, Tempest décor;
45 OPP with Sterling cabinets, Tempest décor.

Tiffin-crafted solid hardwood cabinets, drawers, and closets add more storage than many larger-sized models.
Top to bottom: Kitchen Expand-an-island; Kitchen storage; Theater seats.
The master suite is a haven of comfort and convenience. With a plush innerspring mattress and double-paned insulated windows, peaceful, quiet rest is all but guaranteed; while the bedside, entry lock control switch, and optional egress exit window behind the headboard (not pictured) offer peace of mind. Choose between the impressively spacious en suite residential-style bath or the bath-and-a-half floor plan, which offers a midsection lavatory for guests, and a private bath for you.
Reflecting over four decades of innovation, Tiffin’s exclusive, custom-built PowerGlide Chassis demonstrates our ongoing commitment to delivering a motorhome experience that’s precisely engineered for durability, reliability, performance, and control wherever your journey takes you.

<th>HUCK-BOLTED CONSTRUCTION</th>
</tr>
</thead>
<tbody>
<tr>
<td>The PowerGlide’s multiplexed electrical system, with auto-reset fuses and relays, uses less wiring and increases reliability, efficiency, and flexibility.</td>
<td>Our dynamometer testing simulates full power road testing, enabling us to better assess engine performance, cooling system function, and instrumentation.</td>
<td>The PowerGlide carries a Tiffin-backed limited warranty for three years or 50,000 miles against defects in materials and workmanship.</td>
<td>Huck Bolts are precision engineered two-piece fasteners. Huck Bolts are vibration resistant and provide direct metal to metal contact when installed.</td>
</tr>
</tbody>
</table>

For all information concerning the PowerGlide limited warranty provided by Tiffin, please refer to the full, written limited warranty set forth on the Tiffin website or held by our authorized dealerships. For a complete and up-to-date list of available options and specifications, visit tiffinmotorhomes.com.
Premium Paint System

Our eight-step full-body paint system features premium grade paints sealed with three layers of superclear coat with ultraviolet protection. An additional layer of scratch-resistant plastic coating protects the front of the coach, stairwell, and entry door lock.
Our new Generation 9 and Generation 10 premium paint schemes now give you 14 different ways to make your 2020 Allegro Bus your very own. To learn more, visit tiffinmotorhomes.com.

For a complete and up-to-date list of available options and specifications, visit tiffinmotorhomes.com.
The design of every Allegro Bus floor plan must meet four essential criteria: Maximum space, Optimal organization, Relaxation plus, and Elegant atmosphere. Tiffin's MORE Plans offer your family the most comfortable layout for life on the road.

If optional furniture combinations are selected, window locations may vary from diagram shown.

All options may not be available in every model. Because of progressive improvements and specifications, standard and optional equipment are subject to change without notice or obligation.

For a complete and up-to-date list of available options and specifications, visit tiffinmotorhomes.com.
Make your experience on the road all your own. Express yourself by choosing the interior appointments such as cabinet finishes, flooring, and décor ensembles for every part of your motorhome. In the 2020 Allegro Bus, you’ll be able to travel in style no matter where you go.

Our premium compact coach with luxurious Allegro Bus style, the New 35 CP is for those who appreciate the finer things in their home away from home. On the road, this elegant coach is the perfect traveling companion, offering a quiet controlled ride, a driver’s oriented cockpit, and a generous towing capacity. Off the beaten path, it becomes a haven of upscale residential living, complete with spacious interiors, high-end amenities, and exquisite design details. Many of these luxuries are Tiffin exclusives, including our handcrafted hardwood cabinetry, dual-pane insulated windows, and the powerful, Tiffin-built PowerGlide Chassis.

If optional furniture combinations are selected, window locations may vary from diagram shown. All options may not be available in every model. Because of progressive improvements and specifications, standard and optional equipment are subject to change without notice or obligation. For a complete and up-to-date list of available options and specifications, visit tiffinmotorhomes.com.

All options may not be available in every model. Because of progressive improvements, specifications, standard and optional equipment are subject to change without notice or obligation.

1 Maximum Trailer Weight is dependent on the loading and towing variables which include the GVWR, GAWR, and GCWR, as well as adequate trailer brakes.
2 The approximated coach width and length does not include side-view mirrors.
3 Diesel Exhaust Fluid (DEF) is the active component used in Selective Catalytic Reduction (SCR) engines to reduce nitrogen oxide emissions by 90% to meet EPA standards.
4 All sidewalls are approximately 2" thick.
5 High-definition programming is not available on a domestic satellite antenna unless you subscribe to DISH Network®.
6 Optional and no charge.
7 Comes with Luxury Sheen Finish
