RED means go.

Built with the quality, comfort, and affordability of our popular Allegro model, the Allegro RED is powered by the might and muscle of a Rear Engine Diesel (RED). The added benefits are impressive. Increased torque and horsepower tackle steep hills and tight turns, while better fuel efficiency lets you log more miles for less gas. Spacious floor plans extending up to 39' 8" comfortably accommodate everyone and everything including many standard luxury features.

THE QUALITY YOU TRUST WITH THE POWER YOU CRAVE.
FLOOR PLANS

The design of every Tiffin floor plan must meet four essential criteria: Maximum space. Optimal organization. Relaxation plus. Elegant atmosphere. MORE plans offer your family the most comfortable layout for life on the road.

**Note:** If optional furniture combinations are selected, window locations may vary from diagram shown.
Now it’s time to personalize your coach.

Start with our handcrafted hardwood cabinetry available in your choice of luxury finishes: Cordovan, English Chestnut or Mocha.
