Main Living Area

The cool brightness of LED lighting illuminates interiors, using a fraction of the energy of incandescent bulbs to preserve the coach’s battery life.
Top to bottom: Lift TV behind Sofa Bed on passenger side; Half-bath Vanity; Sofa Bed on driver side.
Getting a great night’s sleep comes easy in the 2020 Allegro RED. You’ll enjoy the comfort of sleeping on a memory foam mattress that comes available in both a standard queen or optional king size. Both side windows open to create a refreshing cross breeze. The stylish, hardwood cabinets are custom built, and seamlessly complement the fabrics and finishes found in the suite. The master bath features a one-piece, molded fiberglass shower—it’s the perfect, easy-to-clean material for the RV travel lifestyle.

Tiffin-crafted solid hardwood cabinets, drawers, and closets add more storage than many larger-sized models.
Behold beautiful functionality. Upgraded countertops and backsplashes create an elegant impression. A three-burner cooktop, residential refrigerator, and convection microwave all come standard. Plentiful storage, including a handy pull-out pantry, ensures everything stays neatly organized.
Premium Paint System

Our eight-step full-body paint system features premium grade paints sealed with three layers of superclear coat with ultraviolet protection. An additional layer of scratch-resistant plastic coating protects the front of the coach, stairwell, and entry door lock.
