MADE TO TAKE YOU MILES BEYOND THE ORDINARY.
Handcrafted quality, luxury, and performance are all hallmarks of the acclaimed 2021 Allegro RED, a proven model in the Tiffin lineup. Its powerful Rear Engine Diesel (RED) delivers spirited performance wherever the road may take you, while the interior surrounds you with amenities. The 2021 RED is well-appointed with a full complement of entertainment, cooking and comfort features, and its multiple slide-out rooms and 7’ ceilings take space to new heights. From front to back, the Allegro RED is a powerful, luxurious, and intuitive home you’ll enjoy for years to come.
Premium Paint System

Our eight-step full-body paint system features premium grade paints sealed with three layers of superclear coat with ultraviolet protection. An additional layer of high-performance film protects the front of the coach and select areas.
These other top-of-the-line features set the Allegro RED apart.

As an innovator in the RV industry, Tiffin Motorhomes has introduced many unique amenities to enhance your enjoyment of our coaches. Features may not be available on all models or floor plans. Please see specifications for details and more.
The design of every Allegro RED floor plan must meet four essential criteria: Maximum space, Optimal organization, Relaxation plus, and Elegant atmosphere. Tiffin’s MORE Plans offer your family the most comfortable layout for life on the road.

If optional furniture combinations are selected, window locations may vary from diagram shown.

All options may not be available in every model. Because of progressive improvements and specifications, standard and optional equipment are subject to change without notice or obligation.

For a complete and up-to-date list of available options and specifications, visit tiffinmotorhomes.com.
