Easygoing luxury.

The smallest luxury Class A diesel pusher on the road today, the 2016 Breeze is a masterpiece of spatial engineering. Every square inch has been maximized to make life on the go as comfortable as possible. Ceiling-mounted overhead cabinets, a built-in pantry, and basement storage give plenty of room to bring everything you need. Thanks to our PowerGlide® chassis, the Breeze is also a pleasure to drive, with easy handling, unsurpassed fuel efficiency, and nimble maneuverability.

OUR SHORTEST COACH DOESN’T COME UP SHORT ON COMFORT.
The design of every Tiffin floor plan must meet four essential criteria: 
MORE plans offer your family the most comfortable layout for life on the road.

Note: If optional furniture combinations are selected, window locations may vary from diagram shown.
Custom-built for the 2016 Allegro Breeze: Cummins ISV5.0 V8 Diesel Engine

Powering the 2016 Breeze’s energetic ride is an assertive Cummins ISV5.0 V8, the result of a unique three-year collaboration between Tiffin and Cummins. Designed, developed, and tested on the Breeze’s PowerGlide chassis, the ISV5.0 exceeds traditional diesel engines in durability, reliability, and performance. Extraordinarily clean, quiet, and fuel-efficient, this state-of-the-art Cummins V8 is equipped with the latest HPCR fuel system, VGT™ Turbocharger, and emissions control technology. It also delivers impressive horsepower and torque, offering a towing capacity of up to 4,500 lb.

VGT TURBOCHARGER FROM CUMMINS TURBO TECHNOLOGIES

The VGT Turbocharger’s patented design is widely recognized as the industry leader for performance. Precision boost control across the speed range delivers performance and fuel economy.

ADVANCED GLOW PLUGINS

The advanced ceramic glow plug system significantly reduces startup time in extreme cold conditions, and the low current draw reduces vehicle charging system requirements. Unlike traditional bi-metal style glow plugs that need maintenance, these ceramic glow plugs are designed to last the life of the engine.

MORE POWER FOR THE POWERGLIDE™

The industry’s best chassis is now even better. The addition of the custom-built Cummins V8 diesel engine to Tiffin’s PowerGlide chassis represents the highest level of innovation in motorhome design. In development for more than three years, the Cummins-powered PowerGlide was rigorously tested, including more than 250,000 miles of test driving. It delivers everything an owner could wish for — durability, reliability, performance, and control. Just another example of how Tiffin goes the extra mile for our customers.
Now it’s time to personalize your coach.

Start with our handcrafted hardwood cabinetry available in your choice of luxury finishes: Cordovan, English Chestnut or Mocha.

**CABINETS**

1. Cordovan
2. English Chestnut
3. Mocha

Then, add texture with your choice of designer fabric suites: Raffia, Toasted Almond or Zest. All fabrics are treated for stain resistance.

**RAFFIA**

1. **Living Area & Kitchen**
   - Pillows
   - Valance
2. **Backsplash**
3. **Countertop**
4. **Sofa & Cockpit Seats**

**STANDARD FLOORING**

1. Tile
2. Carpet
Make your experience on the road all your own. Express yourself by choosing the interior appointments such as cabinet finishes, flooring and fabric textures for every part of your motorhome. In the 2016 Allegro Breeze, you’ll be able to go in style no matter where you go.
Our eight-step full-body paint system features premium grade paints sealed with four layers of superclear coat with ultraviolet protection. An additional layer of scratch-resistant plastic coating protects the front of the coach, stairwell, and entry door lock.
AUTOMOTIVE

Standard on All Models:
• Allison 6-speed Automatic Transmission with Lock-up Independent Front Suspension
• Air Ride System
• Full Air Brakes
• Exhaust Brake

### WARRANTY

The Tiffin Five-Star Warranty. The best in the business, bar none.

At Tiffin Motorhomes, we build for quality first and foremost, limiting our production to just 12 coaches a day to ensure meticulous craftsmanship. It may not be the most business-savvy way to run a company but it is the best way. By investing the time and effort to do things right, we want you, as a Tiffin owner, to have the utmost confidence in your coach, as well as a peace of mind you won’t find with other manufacturers. You see, not only do we stand proudly behind our product, we stand behind you as well.

<table>
<thead>

*Ongoing Owner Support*

No other motorhome company can compare with Tiffin’s exceptional customer service. Email us at service@tiffinmotorhomes.com or call 256/356.8661.
The Allegro Breeze is one of only two Tiffin coaches to feature our very own PowerGlide® chassis. Built at our plant in Red Bay, Alabama, every aspect of the PowerGlide chassis is designed to give the driver confidence behind the wheel, delivering unparalleled performance, reliability, and value. As Bob says, “Nothing drives and rides like a PowerGlide.”

A family business built around yours.
