ALLEGRO

THE ULTIMATE SEARCH ENGINE.

You’ve got places to go and sights to see. Bottom line: you’re going to be spending quality time in your Allegro. That’s why we loaded it with comforts to ensure you enjoy every mile. The Allegro has an impressive report card, surpassing industry average in design, reliability, quality, warranty, and parts support. Not to mention it’s our most affordable model. This year, we’ve added more floor plans and redesigned the exterior to give the coach a sleek modern look. Now in its 44th year of production, the 2017 Allegro is definitely our best one yet.
The design of every Tiffin floor plan must meet four essential criteria: Maximum space. Optimal organization. Relaxation plus. Elegant atmosphere. MORE plans offer your family the most comfortable layout for life on the road.

Note: If optional furniture combinations are selected, window locations may vary from diagram shown.
Now it’s time to personalize your coach.
