37 BH WITH AMBER GLAZED CABINETS AND OPAL INTERIOR LIVING AREA
DRIVE FIRST CLASS

From the moment you set foot in the 2019 Tiffin Phaeton, you’ll understand why it has been a customer favorite for more than a decade. This coach is first class all the way. The Phaeton is incredibly luxurious, offering an abundance of upscale amenities as standard features. It’s wonderfully spacious, with 7’ ceilings and four slide-outs. Available in a multitude of floor plans, finishes, and upgrades, the Phaeton pampers you with an extraordinary level of comfort. For those who want to travel in style, this coach is for you.
MASTER SUITE

A queen-sized memory foam mattress offers a restful landing place, or upgrade to a king-sized bed for more room. Entertainment is at the ready, with surround sound system, TV, and DVD player. Belongings are easily organized with a chest of drawers, laundry hamper, large closet, and under bed storage. Adjoining master bath assures complete privacy.

Woodwork is created from solid hardwood by Red Bay master craftsmen. The multitude of cabinets, drawers, and closets adds up to more storage than many larger-sized models.
The welcoming living area invites relaxation, with upscale furnishings and tasteful neutral tones to complement your preferred décor. Six floor plans enable you to match the space to your lifestyle. Innovative engineering adds convenience by providing an electric command center that controls features throughout the coach. A TV Lift console that keeps the TV hidden when not in use is also available on select floor plans.

All interiors shown are 37 BH with Amber Glazed Cabinets and Opal Interior. To learn more about all of our décor and floor plan options, visit tiffinmotorhomes.com.
The cool brightness of LED lighting illuminates interiors, using a fraction of the energy of incandescent bulbs to preserve the coach’s battery life.
The design of every Tiffin floor plan must meet four essential criteria:
MORE plans offer your family the most comfortable layout for life on the road.
If optional furniture combinations are selected, window locations may vary from diagram shown. All options may not be available in every model. Because of progressive improvements, specifications, standard and optional equipment are subject to change without notice or obligation. For a complete and up-to-date list of available options and specifications, visit tiffinmotorhomes.com.
Our eight-step full-body paint system features premium grade paints sealed with four layers of superclear coat with ultraviolet protection. An additional layer of scratch-resistant plastic coating protects the front of the coach, stairwell, and entry door lock.

To learn more about our premium paint system or for a complete and up-to-date list of available options and specifications, as well as information on Tiffin’s full line of motorhomes, visit tiffinmotorhomes.com.
Make your experience on the road all your own. Express yourself by selecting one of our designer inspired décor packages consisting of your choice of cabinet finishes, flooring, and fabric textures. In the 2019 Phaeton, you'll be able to travel in style wherever you go.

To learn more about our décor options, visit tiffinmotorhomes.com.
There’s an art to engineering a motorhome, as elegantly demonstrated in the custom-built PowerGlide chassis. Reflecting decades of Tiffin innovation, the PowerGlide delivers everything an owner could wish for — durability, reliability, performance, and control.*

**TIFFIN POWERGLIDE® CHASSIS**

There’s an art to engineering a motorhome, as elegantly demonstrated in the custom-built PowerGlide chassis. Reflecting decades of Tiffin innovation, the PowerGlide delivers everything an owner could wish for — durability, reliability, performance, and control.*

**MULTIPLEX WIRING**
Our multiplexed electrical system with auto reset fuses and relays uses less wiring and increases reliability, efficiency, and flexibility.

**DYNAMOMETER TESTING**
Every Powerglide Chassis undergoes dynamometer testing, which simulates full power road testing. During the process, we assess engine performance, cooling system function, and instrumentation.

**CHASSIS WARRANTY**
The PowerGlide Chassis carries a limited warranty backed by Tiffin: Three years or 50,000 miles against defects in materials and workmanship on the PowerGlide Chassis.

**EXTRA STORAGE**
As a diesel pusher, the engine is at the rear of the coach. This chassis design opens up room for more under-coach storage and a more spacious driver’s cab.

* Available on the 40 IH and 40 OH
2019 SPECIFICATIONS

LET YOUR JOURNEY BEGIN

Tiffin Motorhomes is proud to be one of the few family-owned manufacturers in the industry, and it makes a significant difference in how our company operates. For starters, with the Tiffin name on every coach, building a superior motorhome isn’t just our occupation. It’s a matter of personal pride, a pursuit we have committed our lives to perfecting.

We know it’s not just about where a coach will take you, but the experience you take from the journey. That’s why every Tiffin motorhome is made to move you.
